## Export Statement

The export classification(s) appears above if known to Wesco Aircraft. You are responsible for compliance with all related U.S. export regulations, including classification of the product if shown as "Not Export Classified" and this product is to be exported from the U.S.

## Certificate of Conformance

Wesco Aircraft certifies that all products are of new manufacture. Documentation from the manufacturer certifies that the product meets all applicable Government, Customer and/or Manufacturer specifications and requirements. Wesco certifies that the whole of the supplies detailed herein have been received under cover of the Release Certificate quoted above and are in the same condition when received. This documentation is maintained on file permanently and available upon request.

Signed:

Keirah Ghaff Quality Assurance Director

Delivery of an electronic signature to this document shall be as effective as delivery of a manually executed counterpart hereof.

We hereby certify that no returns will be accepted without Wesco Returned Material Authorization number. Only for traceable material will be accepted for return.

Wesco's standard terms and conditions can be found at [http://www.wescoair.com/eng/company/downloads/Wesco\\_Aircraft\\_Terms\\_and\\_Conditions\\_of\\_Sale.pdf](http://www.wescoair.com/eng/company/downloads/Wesco_Aircraft_Terms_and_Conditions_of_Sale.pdf) and, except as explicitly agreed, Wesco and the buyer in a writing signed by both parties, shall be applicable to, and deemed incorporated into this order. These terms and conditions shall govern the order notwithstanding any terms and conditions that were included in the order by the buyer. Acceptance of the order shall be deemed an acceptance of these terms and conditions and, except as expressly agreed by Wesco and the buyer in a writing signed by both parties, these terms and conditions shall supersede, nullify and void any other terms, conditions, representations, understandings, in oral or written form.
